How would you or your friends like to be part of the new wave of English Wine? Maybe you're looking for a present for someone that has everything? Now you can join the Wildwood family and adopt one of our vines.

2018 will be our first vintage and so we are running a special offer - two years adoption for the price of one.

You will receive:

A Certificate of Adoption

An engraved name plaque next to your specially selected vine. Choose from Bacchus (white), Pinot Noir (red) or Regent (rose)

VIP invites to events and tastings at the vineyard

Two bottles (one for each year) of your chosen wine
